NEWSLETTER

September 2026

Thank you to our sponsors, business partners, volunteers, and community members who made Suicide Prevention Awareness Month a success. Together, we are building a stronger, more hopeful Preble County.
Need support? Call or text 988 anytime. 💚

WALK TO REMEMBER, WALK FOR HOPE RAISES $6,800 FOR LOCAL EFFORTS

Nearly 90 community members joined us for this year's Walk to Remember, Walk for Hope to honor loved ones, support one another, and promote hope. Thanks to our generous sponsors and community supporters, we raised $6,800 to support local suicide prevention efforts and outreach programs.

SPREADING AWARENESS ACROSS PREBLE COUNTY

Throughout September, local businesses partnered with us to promote the 988 Suicide & Crisis Lifeline by displaying table tents, coffee sleeves, and coasters. These partnerships helped bring lifesaving resources and awareness to community members throughout the county.

COMMUNITY QPR TRAINING

On September 23, we hosted a free community QPR (Question, Persuade, Refer) training. Participants learned how to recognize warning signs, start supportive conversations, and connect individuals with help when it matters most.
